A resident advised that one of the trees planted in the village for the Queen's Coronation in 1953 was in need of some attention. The Chairman reported that this had been raised by the Tree surgeon and will be looked at. Should the tree need to be removed a replacement tree would be planted. A resident suggested that should the tree need to be removed then the wood could be used to make a bench to commemorate the coronation ready for 2023.

The meeting was closed at 20.38 hours.
