

## Stowupland Ladybirds

Following the demise of Stowupland WI over the 2020/21 lockdown, a new group was formed by the old WI committee, with the hope of having some enjoyable monthly meetings with the friends we had made over previous years. We began in August 2021, inviting all old WI members to an afternoon tea party, when we let them know our idea for the future. This was very well received and in September we had our first proper meeting. We chose to meet in the Chapel, as it has a smaller, cosier room. We have so far had some interesting evenings with guest speakers, a musical treat at Xmas, games evening and a lovely night out at the theatre in Ipswich.

At the moment we are keeping numbers small, but hope to be able to invite more to join us in the future, as we have lots of plans for the coming year.
