

Stowupland Sports and Social Club

With the development of the Village Hall and Social Club on the forefront of our minds it's difficult to carry out any maintenance or decoration now until we have some idea when the development will take place, so please forgive me if the place looks a little tired of late only urgent repairs are being done now.

Along with the revamp of the building looming we also have several new committee members joining the club including a new treasurer which will bring in new ideas.

The weather has been horrendous which has had an impact on the football leading to postponement of many games throughout the winter which does affect the Social Club financially so hopefully the summer months coming up will help.

Events coming up in May end of season awards and the Big 5 aside mid-June, ladies' charity match and girls 5 aside tournament July plus a summer of cricket.

Our aim is to open up more in the summer so people can enjoy a drink!
